University Honors Application for Current UI Students

We are excited about your interest in the University of Iowa Honors Program!

A full description of membership and curricular requirements can be found at https://honors.uiowa.edu/requirements.

As you consider program membership and complete your application, we strongly recommend you meet with an Honors Peer Mentor to discuss how UIHP can help you reach your goals. You can find Peer Mentor bios and scheduling information at https://honors.uiowa.edu/peer-mentors.

Your Full Name (First, Last)

Preferred First Name, if different from what's listed above

Optional

Intended Graduation Semester

e.g. "Spring 2023"

Are you currently in your first semester at the University of Iowa?

- Yes
- No
University Honors Plan of Study

Coursework requirement

Students must complete:

1. at least one honors course by the end of the first fall semester after joining the program
2. at least 12 semester hours of honors coursework by the end of the fourth full-time semester after joining the program (typically the second spring semester in the program)

Please review the information available at the Honors Coursework page of our website (https://honors.uiowa.edu/current-members/university-honors/honors-coursework). Then, follow the instructions under "Find Honors Classes" to answer the question below.

Note: Some courses that count towards honors in various majors include "honors" in the title. Unless the course is restricted to UIHP members, these courses do not count towards the 12s.h. requirement for University Honors.

Please list three to five courses you would plan to take in order to fulfill the 12sh honors coursework requirement.

List courses with their course subject, course number, and title (e.g. ABCD:1234 Intro to Subject). You may include courses that are listed as honors options on MyUI in past or future semesters and one course you'd want to contract, if applicable.

You will not be required to complete these exact courses should your plans change. However, we do want you to seriously consider which honors courses fit with your plan for the next four semesters.

Experiential Learning requirement

Students must complete 12 credits in honors experiential learning before graduation.

Please review the information available at the Experiential Learning page of our website (https://honors.uiowa.edu/current-members/university-honors/experiential-learning); you should use this information as you answer the following question.

Note: Honors credits in these experiences do not always equate with the semester hours applied towards general graduation requirements. Please note the honors credits listed next to each option as you formulate your answer below.

Experiential Learning: Please describe how you plan to complete the required 12 credits in experiential learning prior to graduating.

Be as specific as possible. For example, which types of experiences would you like to pursue? How many credits do you estimate earning from each of those experiences? (See website linked above for credit amounts.)
You will not be required to complete what you list here should your plans change. However, we do want you to seriously consider which honors experiences make the most sense for you.

**What prompted you to apply for the UI Honors Program? Please check all that apply.**

- [ ] An advisor recommended the program
- [ ] I have a friend in the program
- [ ] My family encouraged me
- [ ] I received an email from the honors program
- [ ] Other (please specify)

Optional

**Program Requirements**

- [ ] I understand that membership in and graduation from the University Honors program of study requires a 3.33 cumulative University of Iowa GPA.

- [ ] I understand that I will be required to complete at least one honors course by the end of the next fall semester.

- [ ] I understand that I will be required to complete at least 12 semester hours of University Honors coursework by the end of my fourth full-time semester in the program; this may necessitate taking elective courses.
  
  No more than one contract course may be used to fulfill the 12 required semester hours of honors coursework.
