Thanks to the investment of our generous community of supporters, Honors at Iowa is able to offer a range of scholarships and awards to our undergraduate students in each academic year. All current members of the Honors at Iowa community who will be enrolled in 2018-19 are eligible to apply and are encouraged to participate in our annual scholarship competition.

PLEASE NOTE: *Entering students who have been admitted to the University of Iowa and have opted into the Honors Program are NOT eligible to apply this cycle, but are encouraged to apply once they have completed their first semester on campus.*

To be considered for any of our program scholarships, students:

- must be a member of the University of Iowa Honors Program (UIHP),
- must be currently enrolled as a full-time student, and
- must plan to be enrolled as a full-time student in the 2018-2019 Academic Year.

***Important!** Honors at Iowa uses a UNIVERSAL online application form, which means that qualified students only need to submit ONE complete application to be considered for most of our scholarship opportunities.
