The goal of the **Harry S. Truman Scholarship Foundation** is to find and recognize college juniors with exceptional leadership potential who are committed to careers in government, the nonprofit or advocacy sectors, education or elsewhere in the public service; and to provide them with financial support for graduate study, leadership training, and fellowship with other students who are committed to making a difference through **public service**.

The Truman Foundation defines **public service** as **future employment** in: government at any level, uniformed services, public-interest organizations, nongovernmental research and/or educational organizations, public and private schools, and public service-oriented nonprofit organizations such as those whose primary purposes are to help disadvantaged persons or to protect the environment.

**Applying for the Harry S. Truman Scholarship at the University of Iowa**

Thank you for your interest in applying for **campus nomination** to the **Truman Scholarship** at the University of Iowa. Establishing an early connection to the scholar development resources, workshop opportunities and tailored fellowship advising we are able to offer prospective applicants serves everyone involved in this challenging, but extraordinarily rewarding process.

We look forward to your questions and to your applications. Prospective applicants are encouraged to contact our **Director of Scholar Development**, Kelly Thornburg as soon as they are aware of their interest in this and any other fellowship opportunity at **335-1874** or at **kelly-thornburg@uiowa.edu**.

The Harry S. Truman Scholarship Foundation works in partnership with its established academic partners and only accepts applications submitted through the nominating official. Complete campus applications will be reviewed by the Undergraduate Fellowships Committee (UCF) each fall. All campus applicants will be notified of their status in the competition by November. The UCF may nominate up to four campus applicants to the national competition each application cycle.
