Honors Primetime 2015 - Registration Information

Honors Primetime is a 1-semester hour course that takes place from August 17th – 20th 2015. In small groups, students participate in hands-on, engaging workshops lead by Honors faculty and staff. While Primetime has an academic focus, its main purpose is to provide a setting for participants to meet and get to know their fellow incoming Honors students. More information can be found on the Honors website - honors.uiowa.edu

To Register for Honors Primetime 2015:

1. You must have attended Summer Orientation.
2. You can register online between Wednesday, July 22nd - Monday, July 27th
3. Go to ISIS, login with your HawkID and password, and search for the course HONR:1100 under the “Registration” tab. The Primetime registration link will be highlighted in yellow.
4. You will not be able to actually enroll in HONR:1100 after you complete the form. This is not an error. Honors will be enrolling all Primetime participants automatically in mid-late August. There is nothing you need to do, aside from completing the registration form.
5. The registration form is very short. Please see the back of this page for the information you will need to know.
6. Once you complete the registration form, you will be directed to a confirmation page. This will be the only confirmation you have for your records. A confirmation will not be emailed to you.

Important Notes:

• Primetime is first come, first served. If possible, please plan to register early in within the five-day registration window. The course may reach its cap of 460 students before Monday, July 27th.

• When the course has researched its cap, the registration form will close and you will not be able to register for Primetime. Honors is unable to accommodate early or late registration due to limited space and resources. We apologize for any inconvenience.

• You will be contacted via email by August 1st with details about your Primetime workshop assignment, along with additional information that we will need to complete your enrollment. All correspondence will be sent to your University of Iowa email address. You will need to be checking this regularly.
